®

Everything starts with design at Studio One Eleven, Berlin Packaging's in-house innovation consultancy. We create solutions that blend consumer-focused market trends with deep technical knowledge of the products we design. **Studio One Eleven** is filled with experienced designers, engineers and marketers who delight in bringing amazing designs to life. Our state-of-the-art studio has the latest technology, collaboration and conference spaces, prototype and decoration labs, and thousands of product samples. **We have a wide range of experience in all materials and end markets; we can deliver the total package with one-stop ease.**

SHAPING AN IDEA

EVOLVED PROTOTYPING

Prototyping is a fundamental service that allows the client to actually **see and touch their packaging** and assess a project before they invest time and resources in development and relative production. In recent years, Berlin Packaging has invested in **new-generation machinery to speed up 3D modelling times**, to optimize budget and **increase the aesthetic result**. A strategic play that reflects our in-depth knowledge of today's business, where the cost effectiveness of processes and speed of product launch are essential aspects **for high market competitiveness**.

COVERED BOTTLES

THE IDEA OF USING THE ROPE COVERING WAS BORN WITH THE
AIM TO PRESERVE THE BOTTLE AGAINST SHOCKS AND THE
PRODUCT FROM THE EXCESS OF LIGHT. NOWADAYS IT IS A WAY
OF CUSTOMIZATION TO MAKE A BOTTLE UNIQUE RECALLING
TRADITION AND THE CHARMING OLD WINE-MAKING ART.
